Ramman Hydel Project commenced in 1981. Its proposed capacity was 4x12.75 (51 MW) and was estimated to cost Rs. 24.19 crores.

(b) and (c) Major civil works are nearing completion and the project is scheduled for commissioning between December 1994 and September 1995. The latest estimated cost of the project is Rs. 171 crores inclusive of interest during construction.

2179. (Transferred to the 17th March, 1994)

Diesel Power Station at Renigunta

2180. DR. NARREDDY THULASI REDDY: Will the Minister of POWER be pleased to state:

(a) whether Andhra Pradesh Government has submitted a project proposal for setting up of diesel power station at Renigunta in that State;

(b) if so,, the details thereof; and

(c) what action has been taken thereon?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRI P.V. RANGAYYA NAIDU): (a) to (c) The Andhra Pradesh State Electricity Board (APSEB) had submitted a draft feasibility report for installation of a 100 MW oil based diesel engine power plant at Renigunta (District Chittoor) in March, 1990 In view of non-availability of oil for power generation, the scheme is not being pursued in CEA and APSEB has been advised to revive the proposal after oil linkage has been confirmed and other essential inputs have been tied up.

External assistance for Jurala Hydro-Electric Scheme

2181. DR. NARREDDY THULASI REDDY: Will the Minister of POWER be pleased to state:

(a) whether the Andhra Pradesh Government has submitted a project proposal for external assistance to Jurala Hydro-Electric Scheme;

(b) if so, the details thereof; and

(c) what action has been taken?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRI P.V. RANGAYYA NAIDU): (a) to (c) The Government of Andhra Pradesh had requested Ministry of Finance to pose the Jurala Hydro Electric Project to the British and Austrain Governments for grants| soft loans. The project has not been posed for availing of assistance from the two countries since Environment clearance for the project has not been given.

गुजरात में ग्रामीण विद्युतीकरण

2182. **श्री राम सिंह राठवा** : क्या वित्त मंत्री यह बताने की कृपा करेंगे कि :

(क) गुजरात को अपने प्रत्येक जिले में ग्रामीण विद्युतीकरण के लिए वर्ष 1990–91 1991–92, 1992–93 के दौरान तथा 1993–94 में अब तक पृथक पृथक कितनी वित्तीय सहायता दी गई है ;

(ख) क्या सरकार ने राज्य के सभी गांवों के विद्युतीकरण के लिए कोई समयबद्ध योजना/कार्यक्रम तैयार किया है ;

(ग) यदि हां, तो तत्सम्बन्धी ब्यौरा क्या है; और

(घ) यदि नहीं, तो इसके क्या कारण हैं ?

वित्त मंत्रालय में राज्य मंत्री (श्री पी. वी. रंगैया नायडु) : (क) योजना आयोग द्वारा वित्तीय सहायता का आबंटन राज्य के लिए समग्र रूप में किया जाता है न कि जिलावार तथापि वर्ष 1990–91, 1991–92 1992–93 तथा 1993–94 (2/94 तक) के दौरान गुजरात विद्युत बोर्ड द्वारा उपलब्ध कराई गई ग्रामीण विद्युतीकरण हेतु वित्तीय सहायता का जिलेवार आबंटन संलग्न विवरण में दिया गया है (**नीचे देखिए**) :

(ख) गुजरात राज्य द्वारा पहले ही वर्ष 1988–89 में ग्रामीण विद्युतीकरण को शत-प्रतिशत प्राप्त कर दिया गया है ।

(ग) और (घ) उपरोक्त (ख) को मद्देनजर रखते हुए प्रश्न नहीं उठता ।
